**\*\*THIS YEAR APPLICATIONS WILL BE ACCEPTED BY MAIL. THERE WILL ONLY BE 12 APPLICATIONS ACCEPTED. \*\* (SEE BOTTOM OF THIS FORM FOR INFORMATION)**

1. Except as noted below, flute players of all levels of experience are eligible to compete. However, we intend this competition to highlight the skills of developing players at various stages of their flute-playing journey, from beginner to advanced. Exceptions:
  - No performers receiving compensation in any form to perform at the **Native Rhythms Festival**, either this year or any previous year, will be permitted to enter.
  - The winner of the 2017 competition may not enter the 2018 competition.
  - No member of the **Native Rhythms Festival** Organizing Committee may enter.
2. Only 5-hole (mode 1) or 6-hole (mode 1&4) single chamber, pentatonic minor tuned Native American style flutes are permitted. For example, competitors may not use (1) multi-chambered drone or “harmony drone” or other such instruments, or (2) Native American Flutes with “non-standard” tunings (e.g., diatonic or near-eastern), or (3) Anasazi, Hopi, Quena or other rim-blown flutes. Flutes may be of any material: wood, bamboo, river cane, ceramic, PVC, etc. and may be in any key.
3. All entrants will perform solo. No accompaniment, either rhythmic or melodic, will be permitted. No electronic enhancement (echo effects, etc.) will be permitted. All competitors will perform using only the sound system provided by the event organizers.
4. The fee for participation is \$20.00 (checks, money orders, etc. made payable to “**NHGI**”). Application fees are not refundable. Applications must be postmarked between October 1st through October 31, 2018, inclusive.
5. All flute players’ competition entrants will receive a necklace with the event’s Kokopelli image imprinted on Jerusalem stone. Photos of necklace (with last year’s date) will be available on our event website at <http://www.nativerhythmsfestival.com/Competitions.htm>.

### Competition Rules and Procedures

1. The **Native Rhythms Festival** Organizing Committee will select not fewer than three judges who are qualified to evaluate the performances. Judges may not be related to any of the contestants. Judges will be identified and acknowledged at the event.

2. The decisions of the judges are final and not subject to appeal. Competitors' scores will not be disclosed to competitors or the public.
3. The **Native Rhythms Festival** flute players' competition will be conducted live on Friday, November 9<sup>h</sup> at the festival grounds. All competitors will perform only on that day.
4. **All entrants MUST appear at the competition registration table by 10AM on Friday, November 9<sup>th</sup>, for check in if they mailed their registration forms prior to the event and received notification of acceptance.** If twelve applications have not yet been received, applications will be accepted on Friday, November 9 2018 on a first come, first served basis.
  - A random drawing of numbers by the competitors immediately before the competition is to commence will determine the performance order. All competitors will be expected to be present to draw a number. Failure to appear may be grounds for disqualification.
  - All competitors will be expected to be available and ready to perform when their number (ordered position) is called. Please bring your number to the announcer when your number is called. Failure to appear may be grounds for disqualification.
  - Check the event schedule for the time and location of the competition performances. (We plan to have all competitors perform on the main stage.)
5. Judging will be "blind" in that the judges will not be able to see the competitors while they are performing. Competitors will be identified on-stage only by their performance order number.
6. Each competitor's performance will consist of two pieces. The first piece may be, but not necessarily, an original composition by the performer.
  - The first piece may be the competitor's choice. It may be a known song or the competitor's original composition
  - The second piece must be the competitor's interpretation of "*The Huron Carol*". To be scored, the piece must be recognizable as the specified tune, but considerable latitude will be given for the competitor's interpretation. For those not familiar with this song, an audio MP3 file and a tablature music sheet of a simple version will be available for download from the event's flute players' competition page at [www.nativerhythmsfestival.com/FlutePlayers.htm](http://www.nativerhythmsfestival.com/FlutePlayers.htm).
  - Each piece should be between 1 ½ and 2 minutes in length. If the competitor chooses, the announcer will signal at 1 ½ minutes after the piece begins. Each song will be played for a maximum of two minutes. If you go over, you will be signaled to stop playing.
  - Different flutes conforming to these rules may be used for each of the 2 required pieces. We will try to have a flute stand available to hold several flutes for the entrant.
  - Please, no sacred tribal songs.
7. During the competition performances:
  - **No** speaking or other extraneous sounds that might identify the performer are permitted. An event announcer will introduce the competitor by the entrant's performance order number only. The judges' score sheets will identify the entrants by the announced numbers.

- **No** foot stomping, shuffling, or other body movements meant to generate rhythmic sounds to enhance the performance.
  - Violation of this rule will result in disqualification from the competition.
  - The announcer may ask an entrant to stop and start again under such external conditions that would affect the performance, such as problems with the sound system, or a low-flying aircraft or other external noise source. Unless asked to stop, the competitor should continue playing.
  - The competitor is expected to handle the effects of the wind by turning his/her back to block the wind. The competitor may ask the announcer to adjust the microphone prior to beginning to play either of the 2 pieces.
8. Trophies and cash awards will be given this year to honor the memory of Paula Ellis. Paula's name will be on the plaques and the cash awards are in honor of Paula as well. First Place: \$100, Second Place \$75.00 and Third Place \$50 to finishers based on total scores. Paula and her husband Byron were regular volunteers on festival weekends and hosted a couple workshops.
9. Possession or use of alcoholic beverages is prohibited by event rules. Anyone violating this rule will be disqualified from the competition and asked to leave the event grounds immediately, not to return.
